Summer Camp 2010 Registration Due by Friday, February 19

Attached is your registration form for the summer 2010 session. I know it seems early to be thinking about summer, but you need to be sure to save the schedule that you want for your child. We have a waiting list and of course you have first choice.

Summer Camp will run from Tuesday, July 6 through Tuesday, August 31. If you are planning to attend, you must enroll for the full summer session. Please return the form even if your child is not changing their schedule. *Failure to return the form and deposit could jeopardize your child's position,* as we will begin calling children on the wait list.

Summer Camp will be a fun, exciting time for your child. Weekly themes will be planned with special events each week. Special event days will include pony rides, a reptile show, puppet show, air bouncer, puppy day and many more. The summer deposit covers the cost of all these events. You may bring your child for any of the special events. If it is not their scheduled day, you will need to stay with them. The nonrefundable deposit needs to be paid when the form is returned.

Payment of the Summer Camp deposit must accompany the form
Tuition rates do not change in the summer.

Return the form if your child **will not** be attending summer, so we will know your plans. We look forward to a great summer. Hope you are planning to join us.

Late Processing Fee for forms submitted after February 19 \$25.00
